Laurie, your Gateway to LA County data file is unacceptable. There are many items that need to be corrected and/or removed before I will attempt to process it:

Hidden rows and columns

Formulas in cells

Assessment amounts not formatted with two digits to the right of the decimal

Zero assessment parcels

Please correct and re-submit, thank you.

Ok, as in past years we will need a copy of the minutes of the board meeting or a letter that shows the increase, thanks.

Thanks Laurie, is there an assessment increase for 2017?
